BASELINE MESSAGES ON POSTAL RECEIPTS... Page 1 ...Gandhi Messages

India Post had provided the facility to put a Baseline Message at the bottom of the Computer generated receipts of Speed Post, Registered Letter, and Money Order during the period of 2000 to 2014. Such Baseline Messages were to be drafted within 30 letters including space in between the words. It is noteworthy that philatelists have got prepared such Baseline Slips with Gandhi Messages. This interesting landmark makes Postal history as the slip shows appropriate postage, usage date & creative messages. Some Baseline Message Slips are presented here.
